¹ While every effort has been made to have this be a comprehensive listing through June 2007, it may not be entirely inclusive of all Carmelites that have been so honored. The basic reference utilized and updated from various sources was ***SAINTS OF CARMEL: A Compilation from Various Dictionaries***, by Rev. Louis Saggi, OCarm, Carmelite Institute, Rome, 1972. The exact date of a first catalogue of Carmelite saints is unknown; but it most probably dates from about the mid fourteenth century; cf. Jotishky, Andrew, ***The Carmelites and Antiquity: Mendicants and their Pasts in the Middle Ages***, Oxford: Oxford University Press, 2002, p. 190. Fr. Saggi has suggested the first catalogue was compiled by Jean Cheminot (c. 1337).

² Disclacded Carmelites are shown in ***bold italic***.

³ Founder of the Teresian Association (Spain).
