RULES FOR CELEBRATIONS OCCURRING ON THE SAME DAYⁱ

If several celebrations fall on the same day, the one that holds the higher rank according to the table [see below] is observed. A solemnity, however, which is impeded by a liturgical day that takes precedence over it should be transferred to the closest day which is not a day listed in nos. 1-8 in the table of precedence, the rule of no. 5 remaining in effect. Other celebrations [Feasts, Memorials and Optional Memorials] are omitted that year.

If on the same day vespers [evening prayer] of the current office and first vespers of the following day are to be celebrated, the vespers of the day holding the higher rank in the table of liturgical days takes precedence; if both days are of the same rank, vespers of the current day takes precedence.
