More information to come!

In order to keep the registration fee and other costs down, we will begin fundraising in May 2024. Our major fundraising tool will be a raffle. Community and group Presidents and Leaders will be given more information at the OCDS Leadership Workshop in May. All other donations are appreciated, as well.

Let's make this the best and largest Congress ever!
All for the glory of God and the honor of the Blessed Virgin of Mount Carmel!
